

RESOLUTION IN SUPPORT OF EVALUATING AND REVISING THE NORTH CAROLINA TRANSPORTATION EQUITY FORMULA

WHEREAS, the North Carolina legislature implemented its Transportation Equity Formula as a result of the 1989 Highway Trust Fund Law; and,

WHEREAS, significant portions of the highway system envisioned in 1989 have not been completed; and

WHEREAS, the North Carolina Department of Transportation anticipates \$64 billion in unmet transportation needs through 2030; and

WHEREAS, the Transportation Equity Formula makes it more difficult to fund significant, and costly, transportation needs; and

WHEREAS, the North Carolina Department of Transportation is developing a new objective multi-modal project prioritization process intended to maximize mobility, safety, and infrastructure health; and

WHEREAS, the Transportation Equity Formula does not consider any of these factors in distributing transportation funds;

NOW, THEREFORE, BE IT RESOLVED that the Town of Summerfield supports reevaluating, revising, and modifying the North Carolina Transportation Equity Formula to better meet the current needs of North Carolina citizens, businesses, and travelers.

Adopted on this the 12th day of January 2010.
