

Town of Summerfield
Agenda Item Cover Sheet

Meeting date: April 9, 2013

Agenda item: **10A**

Agenda item:

Consideration of Cheri Pickett as Public Safety Committee member

Attachment(s): yes

Staff comments/recommendations:

The Public Safety Committee (current roster attached) has had a gradual attrition and could use additional members. Cheri Pickett was a past committee member and is interested in serving again. The maximum number of members shall not exceed 12, with 3 of those being emergency services liaison members appointed by related agencies and approved by Council, which leaves a maximum of 9 slots for other membership. The interviewing subcommittee recommended Cheri Pickett in the past and offers a current recommendation for Council approval. Ms. Pickett is a Summerfield resident and would have full voting status.

Meeting date: April 9, 2013

Agenda item: **10B**

Agenda item:

Steeple Ridge Court secondary road addition resolution

Attachment(s): yes

Staff comments/recommendations:

The request is to add Steeple Ridge Court to NCDOT's Secondary Road System. Map and resolution are attached.

Meeting date: April 9, 2013

Agenda item: 10C

Agenda item:
State of Emergency Ordinance revisions
Attachment(s): yes

Staff comments/recommendations:

The attachments provide an explanation and this is part of the Guilford County Multi-Jurisdictional Hazard Mitigation Plan. Per the county's request, the town passed an October 2010 resolution adopting and endorsing this county plan. The county now requests the adoption or revision (red-lined draft attached) of a State of Emergency Ordinance to comply with NCGS 166a. Per the Town Attorney's counsel, it should also be in the form of an ordinance from an enforcement standpoint, and this would require a public hearing. The staff request is that Council set a public hearing for May 14 at 6:30pm to be followed by consideration and adoption.
