Historical Committee appointment (John Plybon)

Attachment(s): yes

MEETING DATE: JUNE 10, 2014

STAFF COMMENTS / RECOMMENDATION:

The Historical Committee is in need of additional membership. John Plybon is a Summerfield resident, has completed the appropriate committee application, has attended recent committee meetings, and would have full voting status if appointed. The interviewing subcommittee members both know Mr. Plybon and his application is attached. The current committee roster is with agenda item 9B and this committee does not have an establishing ordinance for review.
